How can we help

Innovation is the key to success

We offer to create a creative solution tailored to our needs.

Create a turnkey ecosystem

Delivery Application

Customer Mobile App

Kiosk Application
(30% increase in orders)

Custom website

Custom admin panel
(15% decrease in employee costs)

Integration with any existing solution
(e.g. toast, clover, square)

We offer

A Free Consultation

Our team of experts has years of experience in the industry and can provide valuable insights and guidance on how to turn your idea into a successful business.

A Free POC

We will help you validate your business idea and assess its potential for success. Our POC will give you a hands-on, practical demonstration of your solution and provide you with a clear understanding of the key features and benefits.

Budget and Timelines

We'll help you develop a realistic budget and timeline that outlines all of the key costs and milestones, so you can stay on track and achieve your goals.

Track Drop-offs

We can help you track how many potential customers do not complete their purchase or inquiry.

Successful case

[Learn more](#)

Challenge

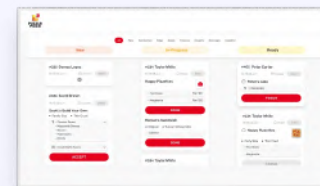

Design a brand new turnkey ecosystem that would allow clients to customize their pizzas by adding various flavors- all in one pizza. This allows for endless possibilities and the chance for customers to let their creativity run wild. An off-the-shelf solution would not work. To solve this problem we had to create a fully custom solution that enabled the concept to work.

Achievements

30% increase in orders

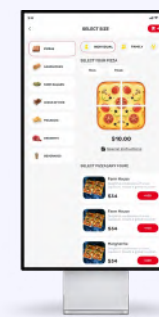

15% decrease in costs

Solution

KDS (Kitchen Display System)

It distributes orders among different roles in the kitchen.

Kiosk Application

Users can avoid standing in line and order food on their own.

Delivery Application

Drivers can use it to stay in touch with customers and make deliveries on time.

Customer Mobile App

Users can place an order, track it, and receive the latest news and updates on their purchases

Admin Portal

Manager has access to all the statistics for the restaurant, including the menu, employees and order management.

Contacts
